At Corkill Insurance Agency, we think you should expect more from an insurance partner.

Corkill Insurance Agency is built with the talent of elite professionals with a broad range of knowledge and proven experience in insurance, bonds, occupational health and safety, human resources, and more.

MAKE YOUR JOB SITE SAFE+SOUND

Federal OSHA is teaming with its state partners and a myriad of health & safety organizations for Safe + Sound Week August 12-18, 2019. This is “a nationwide event held each August that recognizes the successes of workplace health and safety programs and offers information and ideas on how to keep America's workers safe.”

Special pricing on safety program audits.

- Every workplace should be free from recognized hazards and have a robust safety program that includes “management leadership, worker participation, and a systematic approach to finding and fixing hazards.”
- Corkill can help jump start your safety program, revitalize an existing safety program, or provide a chance to recognize your safety successes.

Construction Industry Training Topics:

1st Aid/CPR/AED, OSHA 10, OSHA 30 , Fall Prevention, Electrical Safety, Crane Safety, Excavation Safety, Hazard Communication, Job Safety Analysis (JSA), Health Hazards, Personal Protective Equipment, Silica Competent Person, and more...

Contact a member of our safety team at your earliest opportunity if you are interested in scheduling.
