At Corkill Insurance Agency, we think you should expect more from an insurance partner.

Corkill Insurance Agency is built with the talent of elite professionals with a broad range of knowledge and proven experience in insurance, bonds, occupational health and safety, human resources, and more.

Heat Illness Prevention

Has your workforce been trained in how to prevent heat illness? Are they aware of the many resources available to protect them from heat illnesses? Have you assessed job site hazards to determine whether any pose the risk of a life-threatening or permanently disabling injury or illness? Is prompt first aid treatment for injured employees, either by providing for the availability of a trained first aid provider at the worksite, or by ensuring that emergency treatment services are within reasonable proximity of the worksite? Schedule 1st Aid/CPR/AED training today.

Consider this:

Per the BLS, exposure to environmental heat led to 37 work-related deaths and 2,830 nonfatal occupational injuries and illnesses involving days away from work in 2015.

Special pricing on 1st Aid/CPR/AED training.

- Allow those trained to assist an injured or ill person during a variety of emergency situations and potentially save someone's life
- Includes certificates and completion cards

Construction Industry Training Topics:

OSHA 10, OSHA 30, Fall Prevention, Electrical Safety, Crane Safety, Excavation Safety, Hazard Communication, Job Safety Analysis (JSA), Health Hazards, Personal Protective Equipment, Silica Competent Person, and more...

Please contact a member of our safety team at your earliest opportunity if you are interested in scheduling.
